

ImpactLabs Summer Workshop 2017 Application

Thank you for your interest in this year's summer workshop! Before you start filling the application, make sure that you are

- Between SS1 in high school and third year in the university. Those who have finished high school but waiting for admission to the university are also eligible.
- You are available to move to a hostel at the University of Benin by Sunday August 13th 2017 and stay until at least Friday August 25th 2017. You will only need to cover your cost of transportation.

In this application form, we will collect information about you and your familiarity with using basic workshop tools. Please answer honestly - we will not disqualify students based on the information.

You will find some 250-words-or-less essays to write. You may want to prepare your answer first and just copy and paste while filling the form:

- Why are you interested in being a participant of Impact Labs 2017?
- Describe the community you come from. Ex: I come from a family of 4 in Ogun State. At home, I am the eldest daughter which means that I usually...
- If we gave N200,000 today to impact your school, how would you use the money?
- What do you think is the biggest challenge in your community today?

We look forward to your application. Reach us at impactlabs@mit.edu if you have any questions. This application closes on July 7th 2017.
